

**St Thomas Episcopal Church, Hanover, New Hampshire** seeks to support to appoint a full-time curate straight from seminary. This is a teaching position, in a parish committed to lifelong learning. We hope to learn much from our curate. In turn we will provide a good grounding in a vibrant range of ministry. St. Thomas is geographically situated in the heart of Dartmouth College, Hanover, NH, and has a thriving campus ministry. We are also an active parish with a wide-ranging demographic that includes many young families and seniors. Our curate will help us live into our vision of: “All welcome—no exceptions—to worship, love, serve and grow.” We are looking for someone who is willing to grow—and to help us grow. St. Thomas recently added a third morning service to its Sunday offerings. We are looking for someone who is energetic, faithful and inquisitive. Members of St. Thomas experience liturgy as transformative and value clergy who are pastoral and who pay attention to the small details of life – the windows onto eternity. The successful candidate will have an enthusiasm for sharing God’s love inside and outside the physical building of the church. <https://www.saintthomashanover.org/>
